## 8. IMPORTANT NOTES

To improve the image of the ceremony, the Technical Commission has decided that the presentation of medals to the athletes on the podium will be in Dobok or tracksuit.

The Executive Committee of the WT and the General Assembly of the RFET agreed that in the championships will be sanctioned in accordance with the International Rules of Arbitration the gesticulations, applause and ostensible gestures of the coaches during the fight, remembering that the sanctions provided can reach the disqualification of the competitor and the coach.

The aforementioned acts incite violence and disorder in the public as well as in the participants, which is against the Royal Decree on violence in sport and the Sports Discipline Regulations, in addition to the deplorable spectacle and so detrimental to Taekwondo given by the violators of these rules.
